*The Portsmouth D & D and environmental remediation project is currently considering a number of issues related to the cleanup of the site. To allow consideration of the lessons learned from other DOE cleanup sites, panel presenters will include representatives from the Fernald Citizens Advisory Board (FCAB), Fernald Residents for Environmental Safety and Health (FRESH), Ohio Environmental Protection Agency (OEPA) and the Department of Energy (DOE). The issues of on-site and off-site waste disposal cells will be the focus of this first of D & D educational workshop.*
