1. Review of the February meeting:

<i>Question/Comment:</i>	<i>Answer:</i>
<i>Brushart:</i> At the last meeting we talked about coming up with eight to ten organizations the board could go do a presentation about the SSAB and do some recruiting. I passed out a copy of some organizations that I came up with.	<i>Hartley:</i> There is an organization of Retired Plant employees. Maybe we could recruit someone from that group.
<i>Simonton:</i> We will put together a presentation about five to ten minutes on how the SSAB is important.	
<i>Henderson:</i> You could do some direct marketing to certain groups with certain income and education.	<i>Simonton:</i> Matt Lucas from the Pike County News Watchman comes to some of our board meetings and writes articles from the board meetings. Maybe we need

	to look into some other sources of outreach.
