1. Portsmouth SSAB Membership and Speakers Bureau-Greg Simonton, DOE and Eric Roberts, EHI

<p>Simonton: We will lose the last four of the original board members this year. Sharon, Val, Shirley and Dan. Last year we lost Dick, Michael, and Frank. I want to say, "Thank you. "The board, committees and community is so much better because of all the work they have done the last several years. We have submitted a package of new members and sent the package to headquarters. They will review it and send it back to us for one last review. I want to say, "Thank</p>	<p>Manson: Being a board member has been enjoyable most of the time. It was interesting, I have learned a lot.</p>

<p>you” to the outgoing members for your service. There will be benefits from your work for years.</p>	
<p>Roberts: I think what gets overlooked is that the original members not only had to learn all the things new members have to learn about what is going on at the site, but they also kind of had to learn how to be a board, how to function, how to operate within a group.</p>	
<p>Caudill: Who gets the request for the board to speak to a group?</p>	<p>Roberts: Usually board members, because you are all in other groups so if they need a speaker then let us know and we can get it set-up. The board is not the only ones that go out and tell about the site. I know FBP does too.</p>
